I hope everyone has had a leisurely, fun-filled summer and is ready to get back to work helping to propel an action-packed fall into a successful election outcome for us all!

On the local front, we are most fortunate to have **Celianna Gunderson** running for Alexandria City Council on the Republican ticket. If you have not yet visited her website, I urge you to do so.

[www.Celianna4Alexandria.com](http://www.Celianna4Alexandria.com) Most importantly, be sure to vote for Celianna. **\*Keep in mind** that she will stand the best chance of winning, if you cast a single vote for her and forgo voting for the 5 additional candidates you are allowed to select.

On the VA state front, we are equally fortunate to have Navy combat veteran, **Hung Cao**, running for U.S Senate, vowing to bring good-paying jobs to our state and to support American industries. [www.hungforva.com](http://www.hungforva.com) Endorsed by President Trump, Capt. Cao will work in concert with the Trump administration to make our nation's economy strong again!
